

ST. ANSELM

Proclaiming Christ in Hayes

Stations of the Cross.

A mini pilgrimage.

In Lent we will be following the Stations of the Cross on Tuesday evenings after Evening Prayer. But why?

The 14 stations allow us to spend time with Jesus Christ in His last day on earth. We start with His condemnation and end as He is laid in his tomb.

Many churches have beautiful images, icons or even life size statues of each of these moments in His last day (pictured are the life size bronze Stations at Lourdes). Each gives us a moment to pause, to pray, to reflect and to try to draw closer to Jesus and our understanding of His suffering that day.

We are fortunate to have beautiful depictions of each of these moments at

St. Anselm and alongside a weekly email reflection from Fr. Philip Barnes (also available as a booklet by request) we will use the Stations as our primary method of devotion and learning during this Lent.

They are especially helpful to those who are new to faith and for those who wish to revisit the

founding principles of what it means to live your life in the name of Jesus Christ.

Do try to come at least once during Lent on a Tuesday evening and walk this simple and moving path - take a mini pilgrimage in the steps of Jesus.
