## Proclaiming Christ in Hayes

### The road ahead,

walking with Jesus.

Our Gospel starts, 'The disciples told their story of what had happened on the road and how they had recognised Jesus at the breaking of the bread'.

This is the amazing story of the road to Emmaus. Of the disciples so distraught that they had fled Jerusalem after the death of Jesus, so distraught that they forgot what they had been taught, so distraught they thought Jesus has abandoned them.

But there, walking with them was Jesus. They were so caught up in their own distress that they failed to see who was walking right next to them.

They were pouring their hearts out - so caught up in explaining to this

apparently uncomprehending person their abject misery -that they failed to see who was with them.

But then, in the moment of the breaking of the bread it became clear who was with them all along - Jesus!

This is why daily mass is such a central and import

part of many of our lives. It allows us to see Jesus in our daily lives. It enables us to recognise Him in our day to day lives - and no matter how low or high we get we are constantly pulled back to Him and to His work in our lives.

If you don't come to a midweek mass, why not try it this week.
